

Multiple Intelligence Tasks

Word Smart

- vocabulary games
- magazine article
- speech
- audio tape
- comic books
- dramatic readings
- panel discussions
- games
- journal/diary writing
- poetry
- worksheet
- test/quiz
- storytelling
- essay
- envelope

Math/Logic Smart

- logic games (Clue, Dominoes, Card games)
- brain teasers and lateral thinking puzzles
- computer games
- story problems
- experiments and labs
- categorize facts and information
- analogies
- time lines;
- outlines
- Venn diagrams and matrices
- power point presentation

Body Smart

- field trips
- simulations
- drama, charades
- creative movement
- centers
- labs
- outdoor activities
- manipulatives
- sports/games
- interviews
- exploration/ investigations

Art/Space Smart

- graphic organizers
- analogies
- posters, pictures
- charts, graphs
- sketches, illustrations
- overhead, white board, bulletin boards
- maps, keys, legends
- color coding systems
- sculpting, constructing
- demonstrations
- symbols
- videos
- power point presentation
- collage
- mural
- container

Music Smart

- create raps, cheers, jingles, poems
- music mnemonics
- recite choral readings
- compose songs
- allow and create background music
- use simple tunes to create new songs
- tapes, CDs
- name that tune
- sing-along

People Smart

- debate an issue
- socratic discussion
- team presentation
- role-play
- wax museum
- silioquey
- interview
- public service announcement
- speech
- choral readings
- presentation
- theme park attraction

Self Smart

- report
- diary/journal
- editorial
- poetry
- debate
- Venn diagram
- knowledge box
- container

Nature Smart

- list
- categorize
- photo layout
- classify
- compare to an animal
- create a habitat
- graphic organizers
- picture poster
- Venn diagram
- container
